

Call for Clinical Practice Evaluators

The National Dental Assisting Examining Board is recruiting intra oral dental assistants (IODA) for the position of Clinical Practice Evaluator (CPE). Applications from across Canada will be considered, however there is a demand for evaluators in:

- Saskatchewan
- Newfoundland
- Manitoba
- Maritimes (NB, NS, PEI)

If you have a least 5 years' experience working in a general practice or as an educator and meet the following prerequisites, we welcome your application. You must:

- hold the NDAEB certificate
- be currently licensed to practice in a Canadian province (certified as an IODA in Ontario with the ODAA)
- be familiar with the 9 CPE skills
- be available to attend an orientation workshop via zoom or in-person in their province or other site across Canada (date(s) to be confirmed)
- be available to perform the duties of an evaluator at a minimum three weekends per year in their province or other locations across Canada as determined by the NDAEB

Remuneration:

- Clinical Practice Evaluators receive Board approved financial remuneration for participation.

Travel and Other Expenses:

- NDAEB will cover all costs associated with approved travel (air and ground), accommodations, meals and incidentals within the expense guidelines.

Applications Required by June 30, 2022

Please submit your CV with preferred email contact, NDAEB Certificate number, proof of provincial licensure, a letter from your employer confirming you are currently employed as an Intra-Oral Dental Assistant (IODA), references (at least 2) and a cover letter explaining your interest in becoming an NDAEB evaluator to:
